I. Welcome

This is your policy for your dental benefits. Together with your Application for Dental Coverage and the Declaration page, this policy provides the terms and conditions of your dental benefits. You should review this document carefully to be certain that you make the best use of your dental benefits. **BE SURE TO KEEP THIS DOCUMENT IN A SAFE PLACE FOR YOUR FUTURE REFERENCE.**

Delta Dental welcomes you to the growing number of people receiving benefits through our dental care programs.

This booklet describes the benefits of your program and tells you how to use your policy. Please read it carefully to understand the benefits and provisions of your Delta Dental policy. But, before you go on, we would like you to know something about us...

Delta Dental is a not for profit organization established and supported by dentists to make dental care more available to the general public.

Delta Dental is affiliated with a national association known as the Delta Dental Plans Association (DDPA) which provides dental care programs in all states and U.S. territories.

A majority of dentists in Vermont participate with Delta Dental through Participating Agreements. In addition, there is a nationwide network of participating dentists available to you.

You are encouraged to take advantage of your Delta Dental policy since good oral health is an important part of your overall general health. You are also encouraged to participate in Northeast Delta Dental's innovative Health through Oral Wellness[®] (HOW[®]) program to be eligible for additional preventive dental benefits based upon a clinical risk assessment by your Dentist. Finally, you are also encouraged to obtain your Dental Care from a Participating Dentist to get the best value from your program.

YOUR COVERAGE: The coverage you have selected for your dental benefits policy uses the "Delta Dental PPOSM" network of participating dentists. Delta Dental PPO is a type of "preferred provider option" (PPO) but it allows you to go to any dentist of your choice and receive a level of benefits for covered services.

You will receive the best value from your policy if you visit a Delta Dental PPO dentist. Delta Dental PPO dentists are part of a more limited network of participating dentists who offer lower fees to their Delta Dental PPO patients. PPO dentists agree to accept Delta Dental's payment as payment in full, and further agree not to charge any difference between their fees and Delta Dental's PPO allowances back to their Delta Dental patients. Like all dentists, PPO dentists are allowed to charge for any applicable office visit copay, deductible, co-insurance, or non-covered services.

You will also receive benefits under your policy if you choose to visit a Delta Dental Premier dentist. Delta Dental Premier dentists are reimbursed by Delta Dental based on the lesser of the submitted charge or Delta Dental's allowance for PPO dentists in the geographic area in which the services were provided. Where applicable, Premier dentists may balance bill up to Delta Dental's allowance for Premier dentists in the geographic area in which the services were provided.

You may also choose to visit dental professionals who are not members of either the Delta Dental PPO or the Delta Dental Premier networks. You will receive benefits based on the lesser of the submitted charge or Delta Dental's allowance for non-participating dentists or other dental providers in the geographic area in which the services were provided. Non-participating dentists and other dental providers may bill the patient for the difference between their submitted charge and Delta Dental's payment as well as any applicable office visit copay, deductible, co-insurance and non-covered services. When there is not sufficient fee information available for a specific dental procedure, Delta Dental will determine an appropriate payment amount. You may be requested to bring a claim form for your visit. Claim forms can be downloaded from www.nedelta.com or you may call 1-800-832-5700.

Remember: All Delta Dental PPO and Delta Dental Premier participating dentists agree to:

- File your claim forms for you
- Charge you no more than the amount allowed for payment by Delta Dental
- Accept payment directly from Delta Dental

Health through Oral Wellness® (HOW) program: A healthy mouth is part of a healthy life, and Northeast Delta Dental's innovative Health through Oral Wellness (HOW) program works with your dental benefits to help you achieve and maintain better oral wellness. Here's how to participate in the HOW program.

- **REGISTER**

Go to www.healththroughoralwellness.com and click on "Register Now."

- **KNOW YOUR SCORE**

After you register, please take the free oral health risk assessment by clicking on "Free Assessment" in the Know Your Score section of the website.

- **SHARE YOUR SCORE WITH YOUR DENTIST**

The next step is to share your results with your Dentist at your next dental visit. Your Dentist can discuss your results with you and perform a clinical version of the risk assessment. Based on your risk and subject to the provisions of your dental benefits plan, you may be eligible for additional preventive benefits at no cost.

II. Information About Your Plan

A. The Plan You Have Selected

The coverage plan you have chosen is Basic.

B. When Your Coverage Begins (the “Effective Date”)

Your coverage begins on the date shown on the Declaration page, for you and any eligible dependents you enroll when you first sign up. Eligible dependents added after your Effective Date will have coverage beginning on the first day of the month following the month in which their enrollment is completed.

C. Who You May Cover Under Your Plan

You may purchase this policy if you are a Vermont resident and are eighteen (18) years of age or older.

The following persons are eligible to be enrolled for coverage under your policy:

1. The spouse to whom you are legally married.
2. Your partner in a civil union recognized as valid under state law.
3. Your child, by blood or by law or in the process of adoption or guardianship, under the age of twenty-six (26).
4. The child of your spouse, or your partner in a civil union recognized as valid under state law, by blood or by law or in the process of adoption or guardianship under the age of twenty-six (26).
5. Children incapable of self-support because of a physical or mental disability are eligible for coverage regardless of age; supporting documentation from a healthcare provider may be required.

See the General Eligibility Rules in Section II: K. which provide further eligibility details and which shall control in any questions regarding eligibility.

Please Note: This policy may provide coverage for eligible dependents under the age of twenty-six (26). The coverage provided under this policy is not designed to satisfy the Pediatric Dental Benefit for dependents to age twenty-one (21) pursuant to the provisions of the Patient Protection and Affordable Care Act and any applicable state law.

D. The Way Your Plan Works

1. Office Visit Copay (OVCP): With a few exceptions, each time you, or a person covered under your policy, visits a dentist or other dental provider to receive services covered under your policy, you must pay to the dental provider an office visit copay of fifteen (\$15) dollars. The OVCP will be applied after any applicable deductible and co-insurance.

The OVCP will apply whenever an office visit produces a claim for which services are payable, and benefits are available, under your policy, with the following exceptions:

- No OVCP will apply for follow-up visits for dental procedures for which no additional charge is allowed under your policy (the OVCP will apply on the first office visit only).
 - No OVCP will apply for visits producing claims for services not covered under your policy, claims for services for which you have not satisfied any applicable waiting period, or claims for services received when you were not eligible for coverage (you are responsible for the full fee).
 - No OVCP will apply for duplicate claims or disallowed services.
 - No OVCP will apply for claims for which your policy has no annual maximum remaining (you are responsible for the full fee).
2. Lifetime Deductible: Your plan includes a lifetime deductible of \$100 per enrolled person, up to a maximum of \$300 per family. The deductible applies only to Basic and Major Restorative Services. Expenses incurred for non-covered services shall not apply toward any applicable deductible.

3. Diagnostic and Preventive Services: When you receive Diagnostic and Preventive services, this plan will pay one hundred percent (100%) of the allowed charge*, minus your office visit copay. There is no waiting period or deductible for these services. The plan payment is not counted toward the maximum amount your plan will pay each year.
4. Basic Restorative Services: There is a three (3) month waiting period under your plan before coverage for Basic Restorative services begins. This means that the enrolled person receiving the services must have been covered under your plan for at least three (3) months immediately before the services are received for the services to be covered. Once the services are eligible for coverage, your plan will pay fifty percent (50%) of the allowed charge* minus any deductible and your office visit copay, and you will be responsible for paying the rest of the charge.
5. Annual Maximum: This policy has an annual maximum of \$1,000 per person per calendar year. Covered Diagnostic and Preventive services are not counted toward this maximum.

*For an explanation of the “allowed charge,” see “What Your Plan Pays” Section E. For details of the services covered under your plan, and any limitations or conditions that apply to those services, please see Section III, Coverage Details, Conditions and Limitations.

E. What Your Plan Pays

Your policy’s payment is based on the “allowed charge” for a covered service received. The allowed charge is determined by whether the provider of the service is a participating provider with Delta Dental and the type of network to which the provider belongs. Clean written claims must be paid in thirty (30) days; clean electronic claims must be paid within fifteen (15) days.

1. If the provider has signed an agreement to be in the Delta Dental PPO network, the allowed charge will be the lesser of the submitted charge or Delta Dental’s allowance for PPO providers in the geographic area in which the services were provided. The amount you will be responsible for paying will be based on this allowed charge. Your responsibility will be any applicable office visit copay, deductible, co-insurance and non-covered services. The provider cannot receive in total more than Delta Dental’s allowance for PPO dentists.
2. If the provider has signed a Delta Dental Premier participating agreement, but has not signed an agreement to be in the Delta Dental PPO network, the allowed charge will be the lesser of the submitted charge or Delta Dental’s allowance for PPO providers in the geographic area in which the services were provided. Your responsibility will be the difference between your plan’s payment and Delta Dental’s allowance for Premier dentists in the geographic area in which the services were provided, and any applicable office visit copay, deductible, co-insurance and non-covered services. The Premier provider cannot receive more than Delta Dental’s allowance for Premier dentists and has agreed not to bill you for more than that amount.
3. If the provider has not signed an agreement to be in a Delta Dental network, the allowed charge will be the lesser of the submitted charge or Delta Dental’s allowance for non-participating dentists or other dental providers in the geographic area in which the services were provided. Your plan’s payment will be based on this amount. However, your responsibility will be the difference between your plan’s payment and the provider’s charge for the service, and any applicable office visit copay, deductible, co-insurance and non-covered services. It is in your best interest to discuss what the charge will be before receiving the service.
4. If the fee for a procedure or service is Denied and chargeable to the patient, the procedure or service is not a benefit of the patient’s plan. The approved amount is not payable by Delta Dental, but is collectable from the patient. If the fee for a procedure or service is Disallowed, it is not a benefit covered by Delta Dental, nor is it collectable from the patient by a Delta Dental participating dentist. The Exclusions and Limitations provisions in Section III identify services which are Disallowed. In each instance, a Delta Dental participating dentist agrees not to charge a separate fee.

F. Paying Your Premiums

Your premiums for this policy are shown on the Declaration page. You are responsible for paying your premiums. See Section G below for your options in paying your premiums.

Your first premium payment is due on the day your application for coverage is accepted. Thereafter, your payments will be due as shown on the Declaration page.

You have a ten (10) day premium grace period for any monthly premium payment you must make, and you have a thirty-one (31) day premium grace period if you pay premiums annually or semi-annually. If you pay your required premium payment in full before the end of the grace period, your coverage will not be affected. If you don't pay your premium in full by the end of your grace period, your coverage will end on the last day of the applicable grace period. Pro-rated premium is due for the grace period.

G. How You May Pay for Your Coverage

You have agreed to purchase your Delta Dental coverage for twelve (12) months. Your premium for this plan may be paid as follows:

1. If you choose to pay by automatic credit card or debit card charges or by direct, automated payments from your bank account (Electronic Funds Transfer or EFT), you may choose to pay monthly, semiannually or annually, on the first day of the period you have chosen.
2. If you wish to pay by personal check, you must pay your annual premium in one payment when you submit your completed application and on each anniversary of your policy thereafter.

H. Termination of Your Plan

1. Termination by you: When you buy this policy, you are committing to keep it for at least twelve (12) months. However, you may qualify to terminate this policy in fewer than twelve (12) months but only for one of the following reasons:
 - (a) If you die, anyone else validly covered under your policy, and eligible to do so, may choose to continue the policy by reapplying for coverage. If a covered person other than you dies, the person's coverage will terminate as soon as you provide notice to Delta Dental.
 - (b) You enter military service. If anyone else covered under your policy enters the military that person's coverage may be terminated, but your policy will otherwise still be in effect.

You or your representative must notify us in writing within thirty (30) days if any of the events described above occur and you want to terminate your policy or coverage for someone under your policy. If we receive the notice within thirty (30) days, coverage under this policy will terminate for you and all persons covered under your policy on the date we receive your termination request and we will refund any unused premium.

Notice of cancellation of this policy should be submitted in writing to:

Delta Dental
PO Box 103
Stevens Point, WI 54481-0103

2. Reapplication for a new policy after termination by you for any reason other than listed below, is prohibited for a period of two (2) years:
 - (a) You became covered under a group dental benefits policy.
 - (b) You entered active duty in the military service.

-
-
3. Termination by Delta Dental: By written notice delivered to you at the last address as shown in the records of Delta Dental, Delta Dental may terminate your policy before its renewal for any of the following reasons:
 - (a) You don't pay the policy premiums when due.
 - (b) You, or someone covered under your policy commits, or attempts to commit, fraud having to do with this policy.
 - (c) You are no longer eligible.

The effective date of termination of your policy shall be the last day of the applicable grace period in the event you do not pay the policy premium when due, and in all other cases, not be less than five (5) days after written notice of termination from Delta Dental. In the event of such termination, Delta Dental will return promptly the unearned portion of any policy premium on a pro-rata basis. Reapplication for a new policy after termination by Delta Dental for any reason is prohibited for a period of two (2) years.

Delta Dental may also terminate coverage for a person covered under your policy if we become aware that the person is no longer eligible for coverage.

4. Effective Date of Termination: Except as specially referenced elsewhere in this Section II. H. or in Section II. I., coverage under this policy will terminate for you and for all persons covered under your policy on the date this policy terminates. The effective date of termination will be the last day of the month:
 - (a) Of your death if no one else covered under your policy wants to continue the policy and is eligible to do so.
 - (b) Of the death of a person covered under this policy, other than you, but only for the deceased person.
 - (c) Of your current policy period if you change your legal residence to a place other than Vermont.

I. Renewal and Non-Renewal:

1. This policy will automatically renew for a new twelve (12) month period if you continue to pay your premiums. If you do not want the policy to be renewed, send written notice to the address shown in Section H.1. before the policy's renewal date. If you send notice not to renew, this policy will terminate on the last day before the renewal date. If Delta Dental does not intend to renew your policy, we will send you written notice at least sixty (60) days before the renewal date. If we do send you notice of non-renewal, your policy will end on the last day before your renewal date.
2. If either you or Delta Dental provides the required written notice that your policy will not be renewed, your policy will terminate on the last day before the renewal date.
3. If any renewal premium is not paid within the time granted you for payment, a subsequent acceptance of premium by Delta Dental or by any agent duly authorized by Delta Dental to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if Delta Dental or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by Delta Dental or, lacking such approval, upon the 45th day following the date of such conditional receipt unless Delta Dental has previously notified you in writing of its disapproval of such application. The reinstated policy shall only cover claims after the date of reinstatement. In all other respects you and Delta Dental shall have the same rights thereunder as each had under the policy immediately before the due date of the defaulted premium to any provisions in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement. The time between the termination and the effective date of the reinstatement of your policy will not be applied to any waiting periods that had not been met prior to termination.

J. Reporting a Change in Status for a Person Covered Under Your Plan

You must notify Delta Dental (888-899-3736) of any event causing a change in your status or that of any other person covered under your policy. Events that can affect status include, but are not limited to, marriage, birth, death, divorce, adoption and legal guardianship.

K. General Eligibility Rules

1. No other person shall be eligible for benefits under this policy unless the person meets the eligibility requirements and is currently enrolled by you as a dependent.
2. A dependent not enrolled in your original Application for Dental Coverage may later be added only as follows:
 - (a) If the dependent was eligible to be enrolled at the time you submitted your original Application for Dental Coverage, such dependent may only be added on an anniversary date of this policy.
 - (b) If a new dependent is acquired as the result of birth, marriage, adoption or a legal guardianship, the new dependent will be eligible to be enrolled as of the first day of the month following the month in which the qualifying event occurs.
3. Newborn children are automatically covered for the first sixty (60) days following birth. If you enroll a newborn child during the first sixty (60) days, coverage for the child shall continue without interruption. If a newborn child is not enrolled during the first sixty (60) days, the child may be enrolled thereafter within the first thirty-one (31) days of the child's first birthday or upon annual renewal of this policy.
4. Eligibility for benefits will terminate for you and all dependents at the earliest of:
 - (a) The date of termination of this policy.
 - (b) The last day of the month for which payment has been made by you pursuant to the terms of this policy.
 - (c) For a dependent, the last day of the month in which the dependent ceases to meet the eligibility requirements for coverage under your policy.

III. Coverage Details, Conditions and Limitations for Your Plan

In this section of your policy, we give you the details of what services your policy covers and the conditions and limitations on those services. If you have any questions regarding those services, you may call Customer Service at (800) 832-5700 Monday through Friday from 8:00 a.m. to 4:45 p.m. EST excluding holidays.

1. Oral evaluations of any kind are Disallowed if performed within ninety (90) days after periodontal surgery by the same dentist/dental office.
 2. 7. Payment for additional periapical and/or occlusal radiographic images within a thirty (30) day period of a complete series or panoramic image, unless there is evidence of trauma, is Disallowed.

 - (l) Delta Dental, upon receipt of a notice of claim, will furnish to you such forms as are usually furnished by it for filing claims. If such forms are not furnished within fifteen (15) days after you give such notice, you shall be deemed to have complied with the requirements of this policy with the time fixed in the policy for filing claims. Notice given by or on behalf of you to Delta Dental, or to any authorized agent of Delta Dental, with information sufficient to identify you, shall be deemed notice to Delta Dental.

V. Coordination of Benefits (Dual Coverage)

The Coordination of Benefits provision is designed to provide maximum coverage, but not to exceed 100% of the total fee for a given service. In the event that any person covered under your policy is entitled to benefits under any other health care program, the following Coordination of Benefits provision shall determine the sequence and extent of payment. Other health care programs may include any other sponsored plan or group insurance plan or individual insurance policy.

When a person covered under your policy is covered under another health care program, the following rules shall be followed to establish the order of determining liability.

1. When only one plan has a Coordination of Benefits provision, the plan without such provision shall determine its benefits first.
2. The plan covering the person solely as the Subscriber shall determine its benefits before the plan which covers the person solely as a dependent.
3. The plan covering the person solely as a dependent of the parent whose birthdate occurs earlier in a calendar year shall determine its benefits before the plan covering the person solely as a dependent child of the parent whose birthdate occurs later in a calendar year (the "Birthday Rule"). A parent's year of birth is not relevant. If both parents have the same birthdate (month and day), the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time. If the other health care program does not use the Birthday Rule, then that plan's provisions will determine the order of liability.
4. If paragraphs 2 and 3 above do not establish an order of benefit determination, the benefits of the plan which has covered the person for the longer period of time shall be determined first.
5. The order of payment for the claims of an enrolled dependent child of divorced or legally separated parents will be as follows:
 - (a) The plan of the parent with custody.
 - (b) The plan of the spouse/civil union partner of the parent with custody (step-parent).
 - (c) The plan of the parent without custody.
 - (d) If the parents have joint legal custody, paragraph 3 above will apply.

However, when the parents are separated or divorced and there is a court decree which establishes financial responsibility with respect to the enrolled dependent child, the benefits of the plan which cover the child as a dependent of the parent with financial responsibility shall be determined before the benefits of any other plan which covers the child as a dependent.

6. When Delta Dental is the first to determine its benefits under the foregoing, benefits hereunder shall be paid without regard to coverage under any other plan. When Delta Dental is not the first to determine its benefits and there are remaining expenses of the type allowable, Delta Dental will pay only the amount by which its benefits exceed the amount of benefits payable under the other plan up to the amount Delta Dental would have paid without regard to the payment by the other plan or the amount of such remaining expenses, whichever is less. In other words, the combined payment of both plans will not exceed the total cost of the service.
 - (a) Delta Dental may use reasonable efforts to determine the existence of other benefit programs but shall be under no obligation to do so.
 - (b) The person covered under your policy is required to furnish Delta Dental with information relative to any other health care program in order to determine liability.
7. For the purposes of determining the applicability and implementing the terms of this provision in the Agreement, Delta Dental may release or obtain from any third party, without consent or notice, any information which it deems to be necessary to determine its liability. Delta Dental shall be free from any liability that might arise in relation to such action.
8. Multiple Coverage: When benefits are coordinated with another Delta Dental plan, or any other plan providing dental benefits, time limitations and frequency of service limitations will not change. Coverages for services for which a specified number are provided per a specified time period shall not be added together to provide more than the number of services specified per time period under this plan. For example, if each plan covers one prophylaxis (cleaning) in a six month period, the combined coverages will still only cover one prophylaxis in any six month period. If such a service is covered under this policy, but has been paid for, whether in full or part, by another plan, such service will still be counted toward the maximum number of such services allowed per period under this policy.

VI. General Claims Inquiry

After a claim is submitted by your dentist and processed by Delta Dental, you will be sent or have access to an Explanation of Benefits. This notice will explain the benefits that were paid on your behalf, let you know if any services are denied, and give you the reason(s) for the denial.

If you have any questions regarding your benefits, you may call Delta Dental for an explanation at 603-223-1234. The toll-free number is 800-832-5700. You will be connected directly to our Customer Service Department.

The Customer Service Representative will need to know the claim number that is located on your Explanation of Benefits or, if that information is not available, your identification number and the date of treatment. This will enable a quick response to your inquiry.

VII. Disputed Claims Procedure

If you have reason to believe your benefit determination was not in accordance with the terms of this policy, you have the option of using Northeast Delta Dental's Disputed Claims Procedure. This may be requested within six (6) months of the date of Northeast Delta Dental's original Explanation of Benefits. We recommended that your written request for a review of your claim be personally delivered or mailed certified mail, return receipt requested, to the Vice President, Professional Relations, Delta Dental, One Delta Drive, PO Box 2002, Concord, New Hampshire, 03302-2002. You may also submit your request by standard mail.

Your request for a review of your claim should refer to the claim(s) in question, state your name and address, and the reasons you think the denial should be evaluated. You may provide any additional materials you wish to present.

The Director, Professional Relations, or his/her designee, may request additional documents as necessary to make such a review and will promptly review your claim. If the claim is denied in any respect, you will be furnished with a written notice of the decision within thirty (30) days after receipt of the disputed claim. The written notice will include:

1. The specific reason(s) for denial.
2. The specific reference to the provision of this Agreement upon which the denial is based.

If your request results in an additional payment, it will be made within fifteen (15) working days of the Director, Professional Relations' response.

If you have not received a written response within thirty (30) days as noted above and/or disagree with the notice received, you may proceed to the Disputed Claims Review Procedure in Section VIII. Your claim will remain in a Denied status pending the outcome of the review.

You or your duly authorized representative may appeal to the Review Committee by filing a request for review within one hundred eighty (180) days from receipt of the Director, Professional Relations' notice denying the claim, or, if no date is given, within six (6) months of the notice. We recommended that your written request should be sent certified mail, return receipt requested, to the Review Committee at Northeast Delta Dental's address. You may also submit your request by standard mail. It must state the reasons for requesting a review. It should contain the issues, comments, and supporting materials stating why you believe the response of Northeast Delta Dental's Director, Professional Relations' or his/her designee was incorrect. At the hearing, you are entitled to representation by a lawyer or other representative, to request a stenographer to transcribe the hearing, to present evidence, to request the testimony of witnesses and to cross-examine witnesses. You or your representative may review the policy and related pertinent documents. The hearing will be scheduled with prompt written notice to you no later than thirty (30) days after your request. A decision will be provided within thirty (30) days after the hearing. The decision of the Review Committee will be in writing and will include specific reasons for the decision.

XII. Vermont Mandatory Civil Unions

Purpose:

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This provision is to comply with Vermont law.

Definitions, Terms, Conditions, and Provisions:

The definitions, terms, conditions, and any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as “marriage,” “spouse,” “husband,” “wife,” “dependent,” “next of kin,” “relative,” “beneficiary,” “survivor,” “immediate family” and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as “date of marriage,” “divorce decree,” “termination of marriage” and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as “family,” “immediate family,” “dependent,” “children,” “next of kin,” “relative,” “beneficiary,” “survivor” and any other such terms include family relationships created by a civil union established according to Vermont law.

“Dependent” means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

“Child or covered child” means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

Caution: Federal Law Rights May or May Not Be Available

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Retirement Income Security Act of 1974 known as “ERISA,” controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under “COBRA” for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
